📍 Tilak Nagar

EXECUTIVE SUMMARY

Motivated BSc IT graduate with a strong foundation in AWS Cloud Computing, Linux Administration, and Networking. Certified in AWS Cloud Practitioner and CCNA, with hands-on knowledge of cloud concepts, system administration, and IT support. Eager to apply technical skills and continuously learn in a professional IT environment.

EDUCATION

BSc in Information Technology (2022–2025)

Anna Leela College of Commerce and Economics

HSC (2020–2022)

Swami Vivekanand College

SSC (2020)

Pantwalawalkar High School

STRATEGIC PROJECTS

Image Label Generation using AWS Rekognition

Developed an image label generation system using AWS Rekognition to detect objects in images stored in Amazon S3.

Implemented a Python (boto3) script to call the Rekognition detect_labels API and display detected labels with confidence scores.

Configured AWS IAM and AWS CLI for secure access and service integration

AWS S3 Static Website Hosting with GitHub CI/CD

Designed and deployed a static portfolio website using AWS S3 with automated CI/CD pipeline. Integrated GitHub Actions to automatically sync website files to S3 on every code update. Implemented IAM policies, bucket permissions, and public hosting to make the website accessible online.

SKILLS

Technical Skills - AWS Cloud Computing , Linux Administration , Networking (CCNA, IP Routing & Switching) , IOT Fundamentals , Jira & Scrum

Soft Skills - Time Management , Communication , Teamwork , Problem Solving

CERTIFICATIONS

AWS Cloud Computing Certification - Nettech India 2025

RHCE Linux Certification - Nettech India 2025

Cisco Certified Network Associate (CCNA) - Nettech India 2025

Internet Of Things (IOT) - Anna Leela College 2024

Scrum Fundamentals Certified - Anna Leela College 2024

Jira Fundamentals (Atlassian University) - Anna Leela College 2024

Product Development Approach (Add-on Course) - Anna Leela College 2024
